EXPERIENCE & CONTRIBUTIONS

• Full Stack Web Dev Intern @Metaworks (sept 2022 to till Now)

I am working on PremisesView project of metaworks its private to access. Working there as a Full stack MERN stack Developer and learned about Graphics libraries and implemented 3D models with efficient website launching using Reactjs and nodejs framework of javascript.

• Web Developer Intern @Qu Analytics (july 2022 – sept 2022)

Writing well-designed, testable, efficient code by using best software development practices. Creating website layout/user interfaces by using Webflow and React. Integrating data from various back-end services and databases.

EDUCATION

- ❖ PCET's Nutan Maharashtra Institute of Engineering (2nd Year Computer Engineering) Currently...
- ❖ Information technology | Government Polytechnic Awasari Kh 90.56% | 2022
- ❖ X (SSC) | New English School 88.20% | 2019

ACADEMIC PROJECTS

❖ Admission management website for tier 3 collages

All the colleges cannot spare their prize for their website and online admission are convenient. So this website can let multiple collages college services and also let candidates/students take admissions to respective collages colleges of their comfort without actually physically visiting the college.

❖ Weather App

While visiting a place and without checking any weather reports if someone wants to check the weather conditions of a certain place our website allows doing it by just entering the place name and you will have all the weather predictions and current weather conditions of the respective place of visit. This website is fun it lets you know the weather conditions and predictions of any places around the world.

❖ Portfolio Website

A personal website or portfolio type got the opportunity to reach more people with the work I do. It's also an extension of my personality and gives you the chance to craft a design that reflects who I'm are as a creative.

POSITION OF RESPONSIBILITY

- ❖ Internshala student program, Government Polytechnic Awasari (ISP of 2020)
- ❖ Organized hackathons & conducted sessions for 3000+ college students on Web Development-related topics.
- ❖ Contributor in Hacktober-Fest 2021 & 2022...Running

Programming Language (Intermediate level)

- ❖ HTML & CSS (Bootstrap, Tailwind)
- ❖ JavaScript (Hands-on Frameworks: Reactjs, Nodejs, Expressjs)
- ❖ Java (Core + Advance (Server + Database))
- ❖ C++ (OOP's)
