EDUCATION

- ❖ PCET's Nutan Maharashtra Institute of Engineering (2nd Year Computer Engineering) Currently...
- ❖ Information technology | Government Polytechnic Awasari Kh 90.56% | 2022
- ❖ X (SSC) | New English School 88.20% | 2019

ACADEMIC PROJECTS

- ❖ **Admission management website for tier 3 collages (MERN stack)**
 - ➔ Developed an admission management website using MERN stack, which streamlined the admission process for tier 3 colleges by providing a user-friendly interface for both students and administrators. Implemented features such as user **authentication**, form **submission**, and **data visualization** to optimize the admission workflow and improve overall efficiency.
- ❖ **Weather App (HTML+CSS+core JavaScript)**
 - ➔ Designed and developed a responsive Weather App using HTML, CSS, and core JavaScript, which displays the **current weather and forecast** for a **user-selected location** by leveraging a **third-party API**, ensuring optimal user experience and functionality.
- ❖ **Portfolio Website (Reactjs + Tailwind css)**
 - ➔ Created a responsive Portfolio Website using React.js and Tailwind CSS, utilizing various React features such as **components**, **hooks** and **state management** to build a fast and interactive user interface. Employed **Tailwind CSS** to create a modern, sleek design, allowing for easy customization and maintenance of the website's style.

POSITION OF RESPONSIBILITY

- ❖ Internshala student program, Government Polytechnic Awasari (ISP of 2020)
- ❖ **Organized hackathons** & conducted sessions for 3000+ college students on Web Development-related topics.
- ❖ **Contributor in Hacktober-Fest 2021 & 2022...Running**

Programming Language (Intermediate level)

- ❖ HTML & CSS (Bootstrap, Tailwind)
- ❖ JavaScript (Hands-on Frameworks: Reactjs, Nodejs, Expressjs)
- ❖ Java (Core + Advance (Server + Database))
- ❖ C++ (OOP's)
